“La Salle has given me a lot of amazing opportunities. I am a member of the crew team and a student ambassador, and I participate in many service activities. One thing that distinguishes La Salle from other universities for me is the passionate professors of the Education Department. They have taught me to be confident in the skills and abilities I have gained here. I believe those skills will take me far into the future, and I thank you for that.”

You Can Make a Difference!

Thank You …

Never before have La Salle University students had so much access to opportunities that will enrich their education far beyond the classroom. This rich, life-changing educational experience has been made possible in large part by your gifts to The La Salle Fund.

As someone interested in La Salle University’s future, you understand the commitment each member of its community must make for it to be successful. Your commitment is greatly appreciated and will surely help the University continue to thrive as Catholic higher education faces serious challenges.

We hope you will consider continued support of The La Salle Fund to ensure that we Never Stop Exploring ways to create opportunities for future explorers.

Help the Explorers Prepare for Success.
La Salle University, a Catholic university in the tradition of the Brothers of the Christian Schools, aims to offer a rigorous curriculum and co-curricular experiences designed to help students gain theoretical and practical knowledge, deepen their ethical sensibilities, and prepare for a lifetime of continuous learning, professional success, and dedicated service.

Unrestricted annual gifts are among the most important and valuable to La Salle University because they help us to meet the challenges and opportunities of modern higher education. Catholic higher education requires a significant investment on the part of students and their families as well as the ongoing investment of alumni and other key stakeholders. This is particularly true for La Salle, given our commitment to doing all that we can to enable promising students of modest means to pursue a quality college education.

La Salle promotes excellence in teaching and scholarship, demonstrates respect for each person, nurtures mentoring relationships, and encourages an authentic community. A gift to The La Salle Fund represents your partnership with La Salle and its current students and is your vote of confidence in our University, named for St. John Baptist de La Salle, the patron saint of teachers. Your gift helps support financial aid, academic programs, research, campus improvements, and other activities highlighted here by our current students and makes a difference in every aspect of the Explorer community.

“What’s great about the culture at La Salle University is that as you meet people, they try to bring you to the opportunities that were given to them. I feel connected to my professors, and they’ve already helped me to network and make contacts. I was granted the Founder’s Scholarship when I was accepted to La Salle, and I really appreciate that that award was made possible by the generosity of the La Salle community.”
“I’m especially lucky to have already been able to utilize what I’ve learned in my classes in my clinical experiences. The opportunity to apply my lessons in a patient care setting, before I’ve even graduated, has been so beneficial. Thank you to anybody who has donated to The La Salle Fund—I cannot tell you how much it’s appreciated. This has been one of the best experiences of my life.”

Give the Amount of Your Choice—It All Adds Up!

Every gift, regardless of size is extremely important and will be recognized with a gift acknowledgment and receipt, as well as a listing in the University’s Honor Roll of Donors.

Matching Gifts: Many employers offer matching gifts programs that will double or even triple your contribution to La Salle. Contact your benefits office to request information on how to obtain your match.

Unrestricted Giving Creates Limitless Opportunities!

Unrestricted gifts are the University’s first priority because they allow the University the flexibility to direct your gift to where our students need it most.

If you would prefer, you do have the option to designate your gift to a specific area of the University. For example, gifts may support Scholarships and Financial Aid, the School of Business, the School of Nursing and Health Sciences, the School of Arts and Sciences, Explorer Athletics, University Ministry and Service/Service Trips, or the La Salle University Art Museum.

Your Support Makes All the Difference.
